

MELONJAM 3

SPONSORSHIP PROSPECTUS

July 22 - 24, 2022

About Us

Where We're From

We reach out to you from Cupertino Game Development Club, a registered club within Cupertino High School that is entirely student-run by officers who have an intense passion for game development and want to spark that passion within others.

What is MelonJam?

MelonJam 3 is a game jam, a type of hackathon where participants are tasked with creating a game in a short time span. MelonJam 3 builds off of the success of both MelonJam 1 and 2, which amassed over 200 participants across the globe. The goal of this game jam is to create chances to let youth be exposed to game development and create games they can showcase to the world. Through doing so, we also hope to show participants how useful the skills utilized in game development are and truly spark passion in this field.

Why do we need a sponsorship?

In order to implement prizes to motivate more people to join and participate, we need funds in order to pay for the prizes. Even through many fundraisers, we still need grants of money or products from companies like yours to help us fund the prizes that will motivate more people to participate in MelonJam 3. The prizes could be monetary or products that your company sells. Some of the grant money may also be used for Melon Jam advertising.

SPONSORING

WHY SPONSOR US?

Sponsoring us allows you to build a strong connection with the next generation of developers, artists, and engineers. Moreover, you provide the much-needed support for nurturing the STEAM community and can encourage participants to use your products on the way. We will also display your company's logo on our website, social media, and Devpost!

WHAT CAN YOU PROVIDE?

Though we prefer monetary funds, we are open to all forms of support! We would be more than happy to accept physical or digital products, such as software trials, as prizes. Guest speakers, judges, workshops, or anything else you are able to provide are also much needed.

THANK YOU!

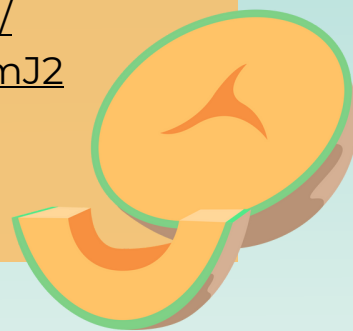

QUESTIONS?

Email us at melonjamgdc@gmail.com if you have any questions, require more information, or decide to sponsor us.
